

About Us

Founded in 2006, Premier is a company that has successfully transitioned from explorer to gold producer. Premier is a North American-focused company that holds a portfolio of projects, ranging from early exploration to production, located in the heart of several of the world's most sought-after mining districts.

At Premier Gold Mines Limited, "A World of Opportunity" embodies the Purpose, Strategy and Values critical to the success of our organization and to the well-being of our employees, their families and our local communities.

Premier Gold Mines is an equal opportunity employer that does not discriminate against any employee or job applicant because of race, color, religion, national origin, sex, physical or mental disability, or age. Accommodations are available on request for candidates taking part in all aspects of the selection process.

Project Geologist

Premier has an immediate need for a full-time **Project Geologist** to support its Nevada-based exploration programs. This role requires the candidate to maintain the Company's high standards and to be details oriented. This position is based in Battle Mountain, NV, but could also require regular travel by vehicle to Winnemucca and other Premier project locations in Nevada.

Key responsibilities

- Conduct deposit- and regional-scale geological activities including core logging, geological mapping, geochemical sampling and prospecting programs
- Research and data compilation for a variety of exploration-related datasets
- Daily interpretation of geological information utilizing 3D and 2D software
- Create visually compelling images for internal/external use, including maps and drill sections
- Demonstrates awareness and commitment to health, community and environmental protection

Requirements/Qualifications

- B.Sc. degree or higher in Geology or Earth Sciences
- 3-5 years working in mineral exploration with experience in Carlin and epithermal systems preferred
- Experience in 3-D model creation (GEMS and/or Leapfrog) and general data presentation
- Knowledge in database management is a plus
- Strong work ethic, positive attitude and attention to detail
- Excellent communication, planning, problem-solving and organizational skills

Premier offers an excellent compensation package and opportunity for advancement with one of Canada's most dynamic publicly-traded gold mining and exploration companies.

Interested applicants may apply in confidence to careers@premiergoldmines.com no later than **5:00 PM Friday, March 1, 2019**.

Please reference the position in the subject line. We thank you for your interest. Only those selected for an interview will be contacted.
